

# AIRPOWER® R23

Art. No. 607501

## CE EN ISO 20345:2011 S3 HRO HI CI WR SRC

Nubuk leather black, textile black, GORE-TEX® Performance, metalfree throughsole, orange-colored reflective stripe, leg height 13,5 cm, antistatic, sole 013

Available sizes UK 4 – 12, Extra large sizes UK 13 / 14

607501

HAIX® AS System

### Upper Material

Nubuk leather, hydrophobic, breathable, 1.9 – 2.1 mm thick

### Inner Lining

GORE-TEX® Performance; 4-layer GORE-TEX® laminate, waterproof and breathable. Highly abrasion-resistant lining with fleece midlayer. Optimized climate comfort for all year seasons and excessive use. Increased chemical protection.

### Insole

TEXON (fleece) insole absorbs sweat and supports ankle.

### Foot bed

Anatomically formed, exchangeable, washable, very good moisture absorption, dries quickly.

### Protective Toe Cap

Anatomically formed protective toe cap.

### Protective Throughsole

Flexible protective and metalfree throughsole.

### Sole

Rubber sole with robust street tread, superior bending comfort, highly wear resistant, non-slip traction - even in cold weather. The low-weight PU, impact-absorbing wedge ensures outstanding walking characteristics. Very good insulation from cold. The sole is resistant against heat, oil and gasoline resistant, non-marking. Compliant with EN ISO 20345:2011

### HAIX® AS System

The HAIX® Arch Support System supports the natural curvature of the foot. Toes and joints have thereby sufficiently more space. Keeps foot in the best position for optimal foot health.

### Sun Reflect

Sun Reflect reduces the heating effect of the upper leather by direct sunlight. Sunlight is reflected by the leather, keeping the leather and the feet cooler.

### Others

Easy running lacing elements of high quality, reinforcement in the toe area, TPU-toe cap, reflective stripe.
